- Innovative, ergonomic hinged service door simplifies unit service
- 7" capacitive touch screen and intuitive user interface
- Bright LED indicator light
- Wireless software update capability
- Automatic weighing of recovered oil
- Data management and reporting for refrigerant use optimization and warranty reporting
- Connectivity for remote technical support

ACX2150

460 80445 00

DISTINGUISHING FEATURES:

- + Integrated automatic oil and UV dye injection for AC leak detection
- + Optional iOS and Android phone app for remote service session mirroring and advanced functionality

ACX2180

460 80447 00

DISTINGUISHING FEATURES:

- + EcoLOCK® R134A Couplers
- + Included iOS and Android phone app for remote service session mirroring and advanced functionality
- + Integrated automatic oil and UV dye injection for AC leak detection
- + Network printing capability

ACX2180H

460 80448 00

DISTINGUISHING FEATURES:

- + EcoLOCK® R134A Couplers
- + Included iOS and Android phone app for remote service session mirroring and advanced functionality
- + Network printing capability
- + Hybrid certified

R1234YF A/C Service Units

- Innovative, ergonomic hinged service door simplifies unit service
- 7" capacitive touch screen and intuitive user interface
- Bright LED indicator light
- Wireless software update capability
- Automatic weighing of recovered oil
- Data management and reporting for refrigerant use optimization/warranty reporting
- Connectivity for remote technical support

ACX2250

460 80446 00

DISTINGUISHING FEATURES:

- + Network printing capability
- + Non-integrated refrigerant identifier
- + Optional iOS and Android phone app for remote service session mirroring and advanced functionality

ACX2280

460 80449 00

DISTINGUISHING FEATURES:

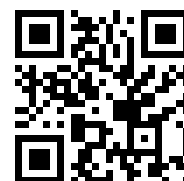

- + Network printing capability
- + Integrated refrigerant identifier
- + EcoLOCK® R1234YF Couplers
- + Included iOS and Android phone app for remote service session mirroring and advanced functionality

Related Parts & Accessories

MAHLE Service Solutions is well-renowned in supporting technicians through an extensive, and technologically-savvy tool and accessory offering that rivals the competition.

It's all about the details! Thinking ahead, MAHLE Service Solutions anticipates the smaller needs of the technician – so shops reap large benefits. Fast-working tools and equipment accessories make up a comprehensive selection to fit every need a technician may have during service. Just one of the many ways MAHLE Service Solutions lives up to their name – providing solutions for technicians.
